"The chess-board is the world, the pieces are the phenomena of the universe, the rules of the game are what we call the Laws of Nature. The player on the other side is hidden from us. We know that his play is always fair, just and patient. But also we know, to our cost, that he never overlooks a mistake, or makes the smallest allowance for ignorance"

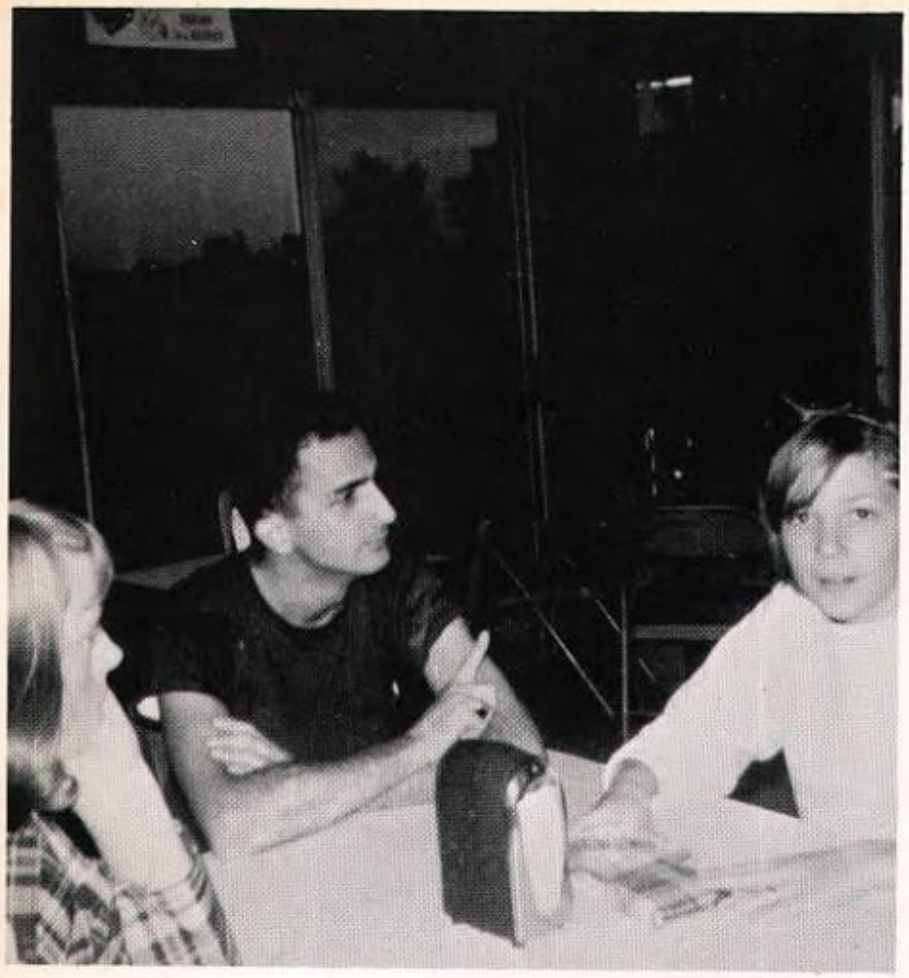
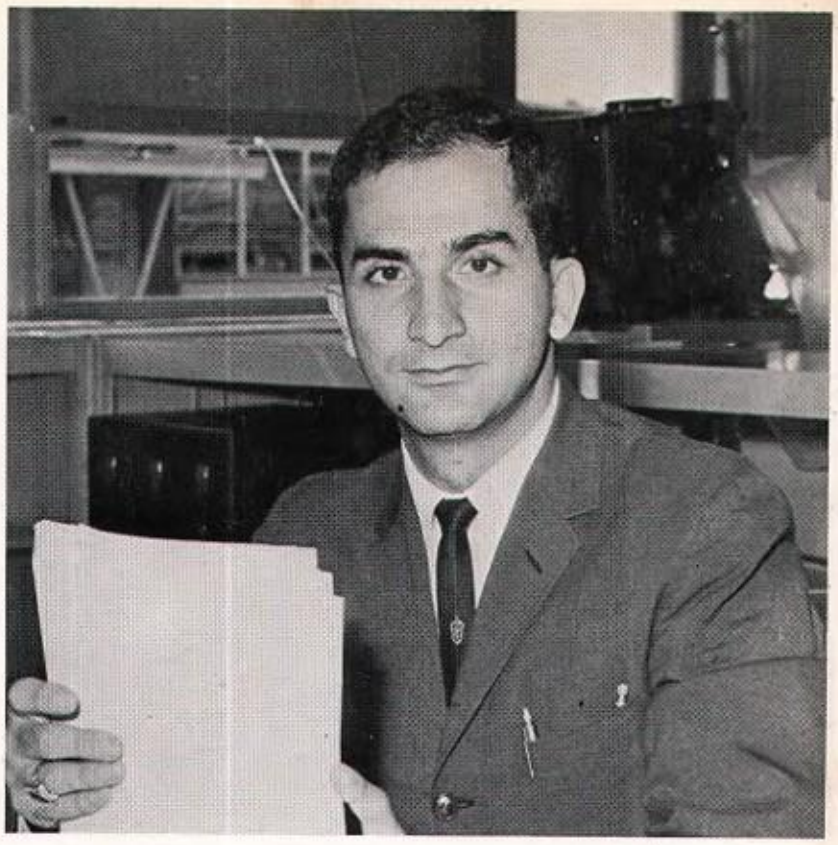
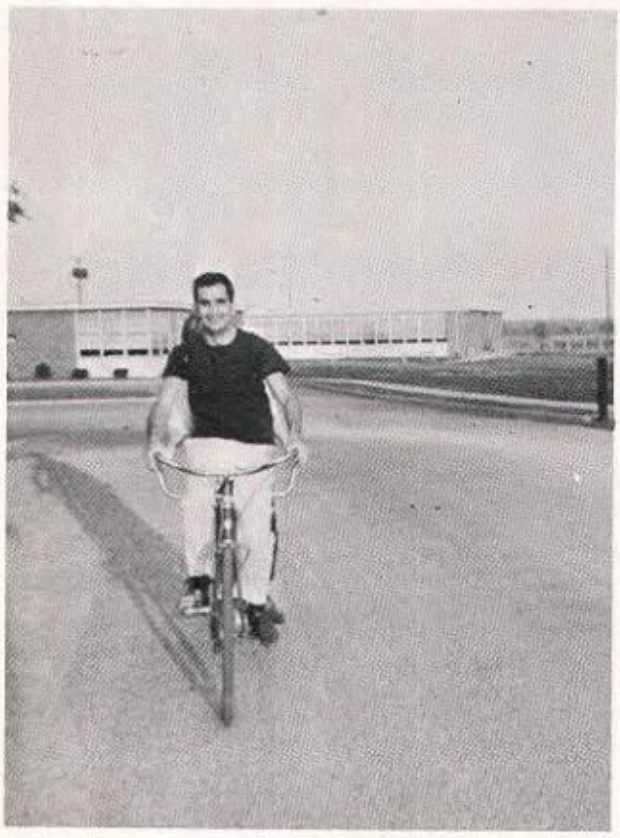
Published by the Senior Class
CLAYTON HIGH SCHOOL
Clayton, New Jersey





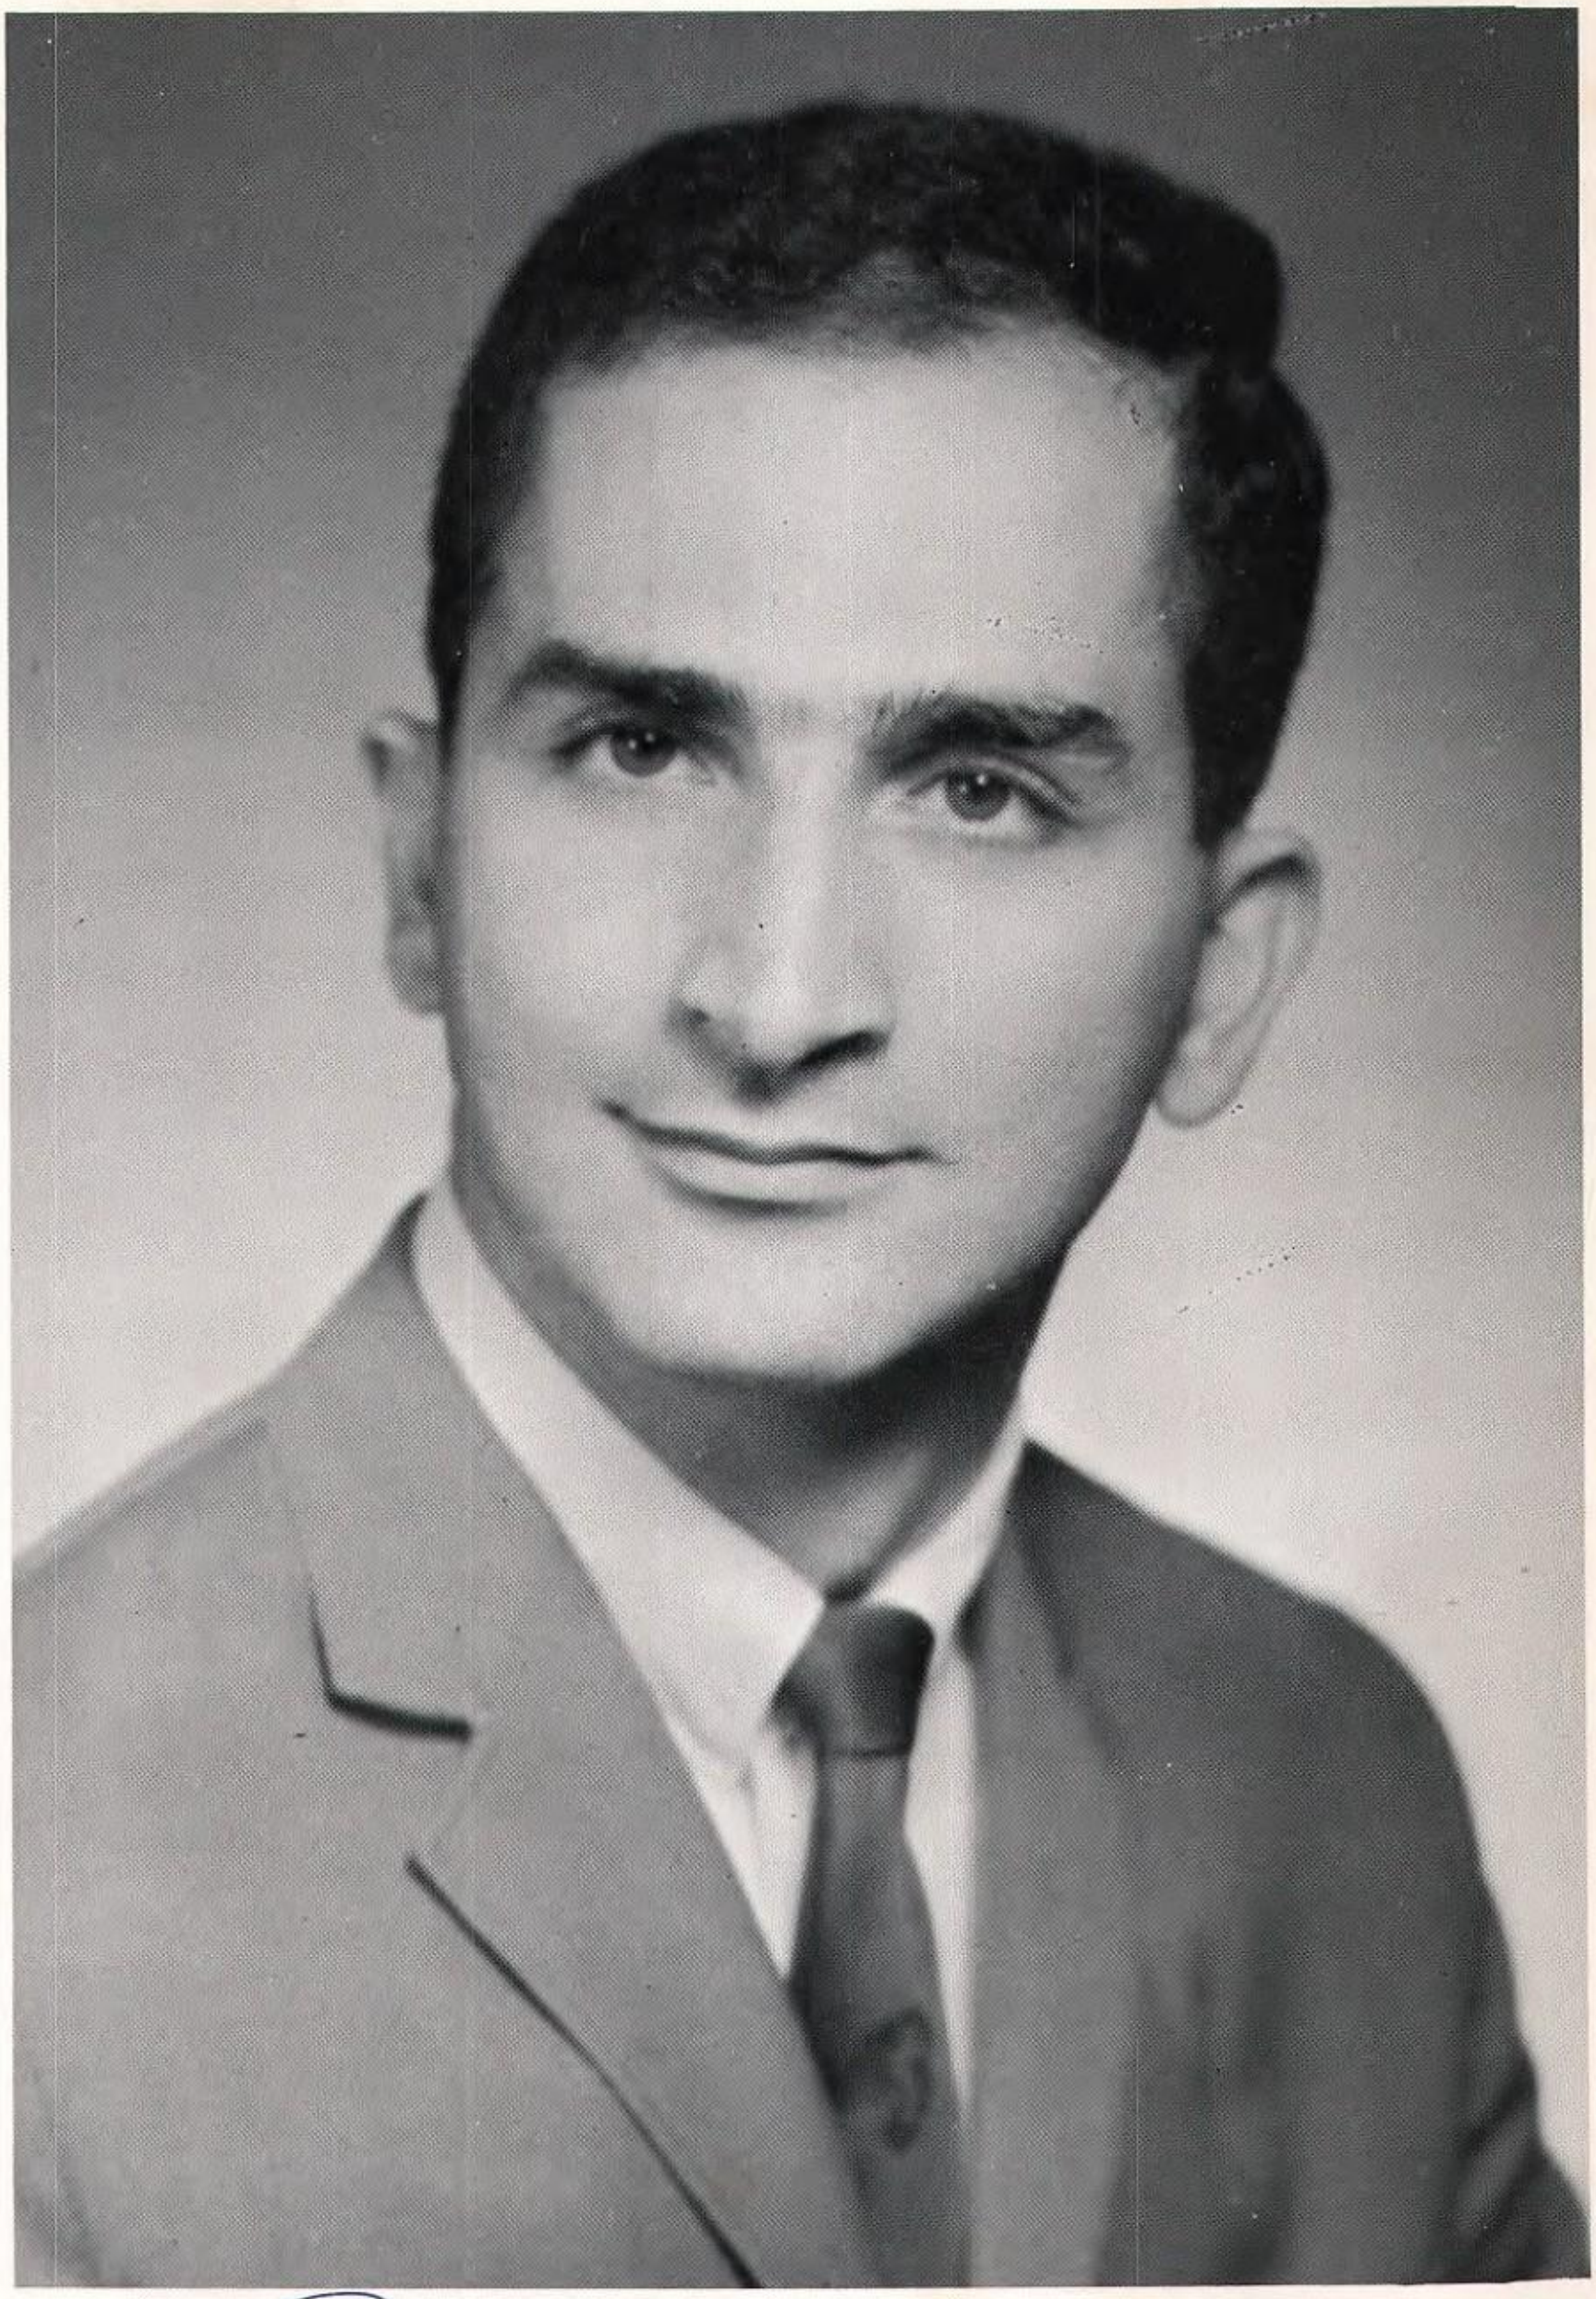


As the game comes to a finish, we the Class of 1967, look back into the past and recall all memories both good and bad, that we have had throughout our years at Clayton High School.

We share many of these memories with a great person, good teacher and a true friend. This person has devoted many hours and given much advice to us in our many activities. He was always around and willing to help or encourage anyone of us with our problems; and so, we, the Class of 1967, wish to express our deepest gratitude and sincere appreciation by dedicating this year's Clipper to our advisor, Mr. Michael Rivera.

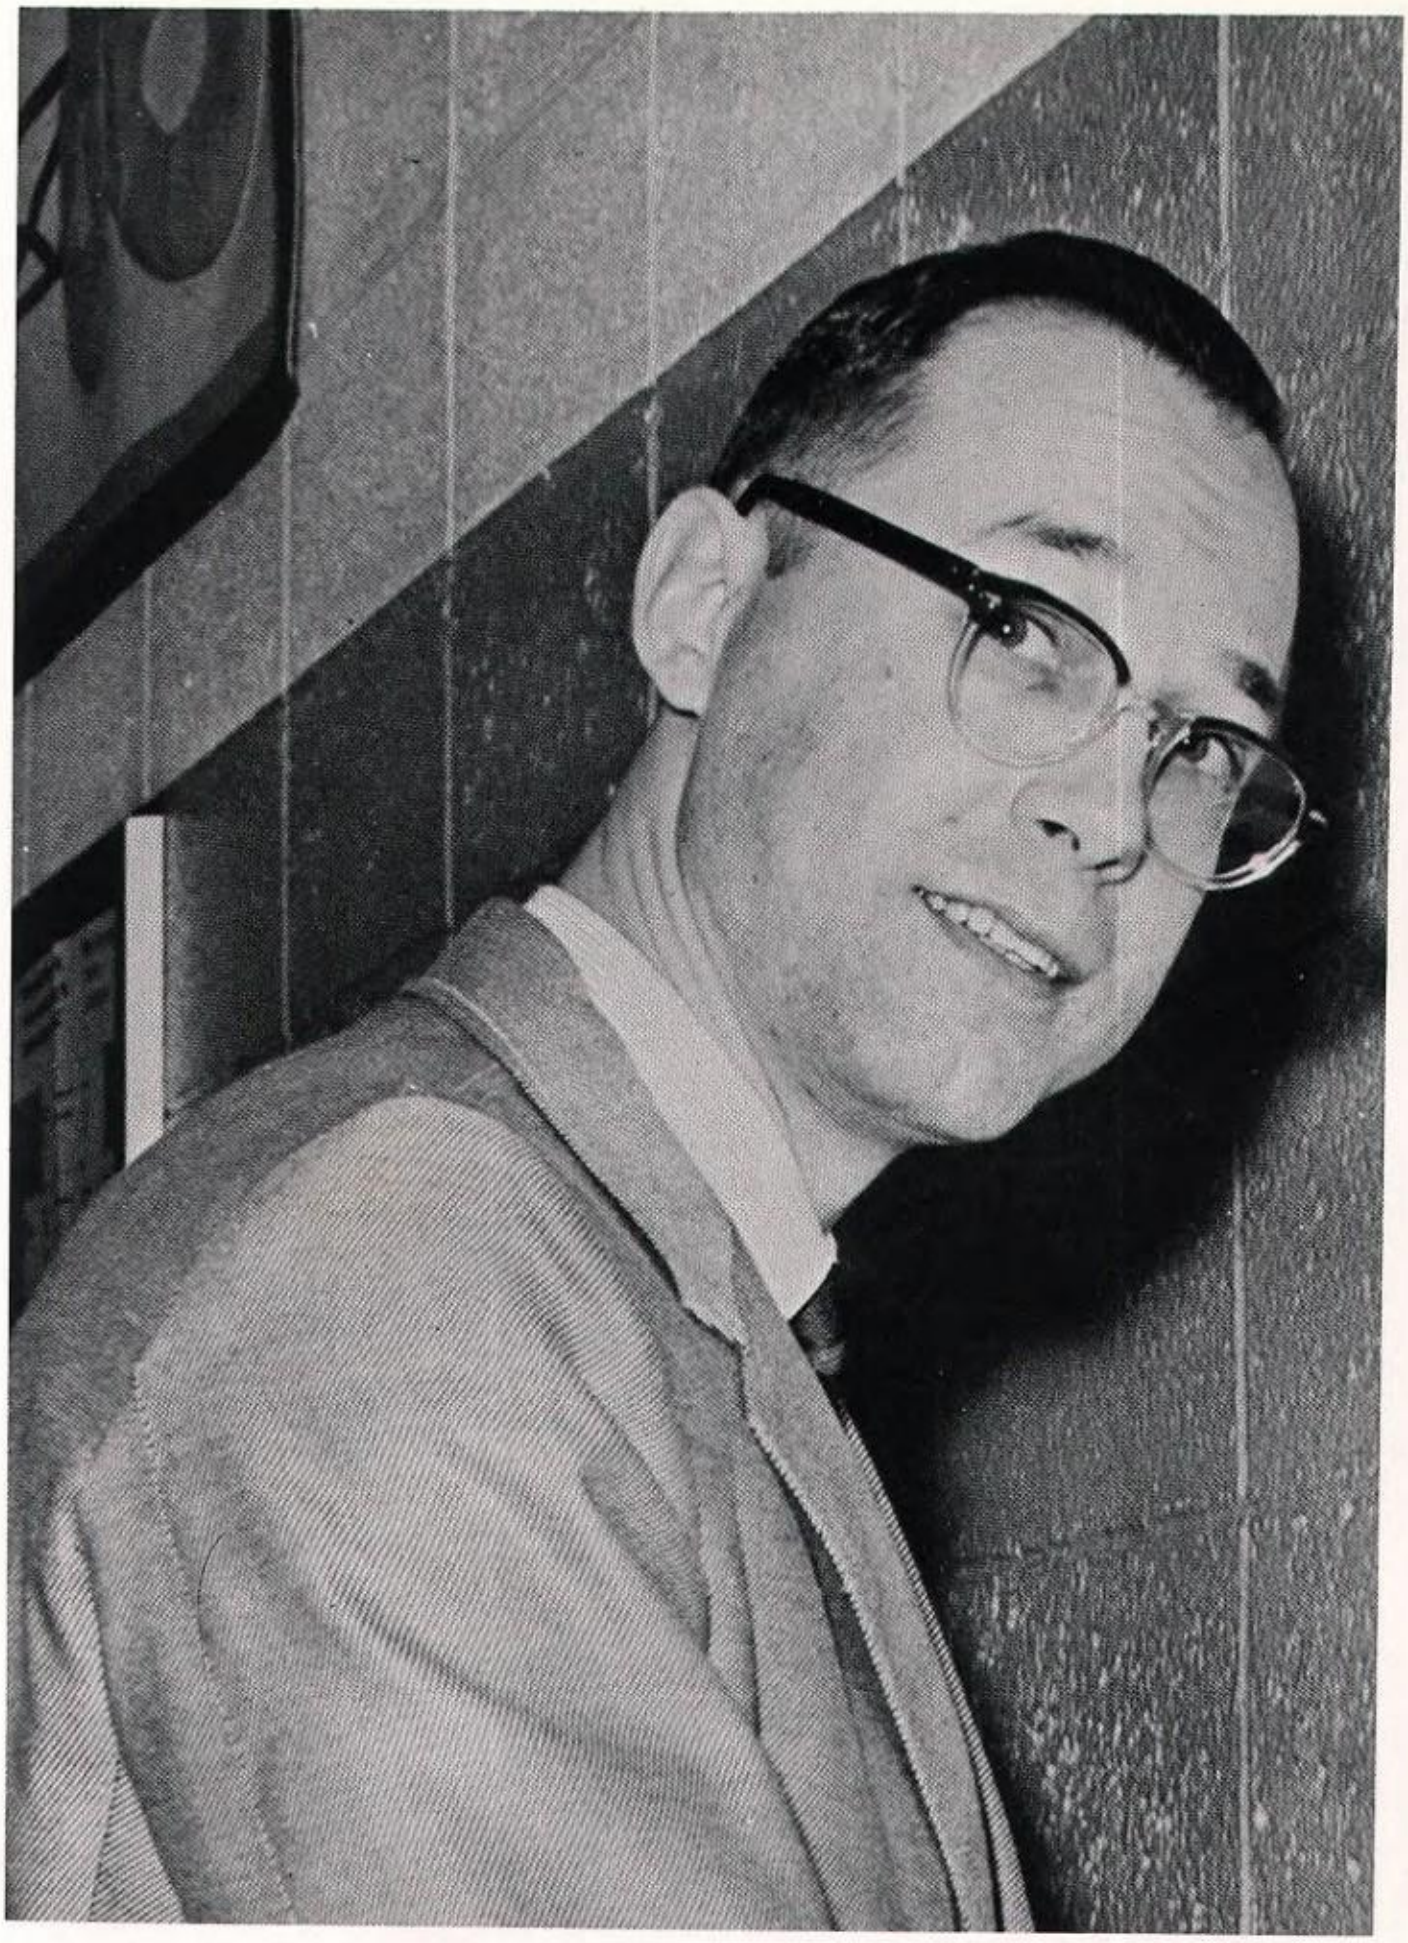
Sally,

To Miss "Thatcher", my best. You are one of the finest individuals I have known - you have the personality, the character, the tenacity to move ahead - you stand out in your class - We at C.H.S. have been proud of you - I am glad I had the pleasure of knowing you - much success & good fortune



MICHAEL VINCENT RIVERA

In Memoriam



HOWARD METZ

We can finish nothing in this life:
But we may make a beginning
And bequeath a noble example.
He was our friend, sincere, dedicated, loyal, wise and kind.
With a great unfulfilled desire to interest others in the arts
Such as those found in literature, drama and music.
There are those who have the gifts of finding joy everywhere
And leave it behind them when they go. "His life was gentle,
And the elements so mixed in him, that nature might stand
Up and say to all the world, 'This was a man!' "

"I cannot say—and I will not say
That he is dead . . . he is just away . . .
With a cheery smile and a wave of the hand
He has wandered into an unknown land

And left us dreaming how very fair
It needs must be, since he lingers there.
And you—oh, you, who the wildest yearn
For the old-time step and the glad return

Think of him fairing on, as dear
In the love of There, as the love of Here;
Think of him as the same, I say,
He is not dead . . . he is just away.

GAIL ADAMS Gail's favorite saying is "Holy Cow", and it is usually said when people mistake her for an underclassman. Gail's ambition is to get in and out of college and teach kindergarten. According to Pat, Mary, Joan, Jo Lynn, Peggy and Rosalie, she will make it. Her fondest memory lies in her eighth grade trip to Gettysburg. Spanish Club I, Booster Club 1, 2, 3, president 3, Glee Club 2, 3, 4; float committee 1, 2, 3, 4; prom committee 3.

PATRICIA ANN BADEY Pat has many friends. Among them are Gail, Sandi, Rosalie, and Mary. Being selected for Gloucester County Chorus of 1966 ranks high on her memory list. According to Pat, she wants to graduate and get married, and we're sure she'll succeed and be happy. Her pet peeve is 7th and 8th graders in the halls. Glee Club 1, 2, 3, 4, F.T.A. 4; Art Club 1, F.N.A. 1; prom committee 3; float committee 2, 3, 4.

WALTER THOMAS BASTOW Walt's dependability and loyalty to the class and school will never go unrecognized. Through his constant hard work, his goal of becoming a millionaire will surely be fulfilled. Wherever you find Steve, Ed, Ron, and George, you'll find Walt. Our beautiful prom is his fondest memory. Band 1, 2, 3, 4; Chorus 2; Key Club 3, 4; float committee 2, 3, 4; prom committee 3; Student Council 2. Mu Alpha Theta 3, 4; Honor Society 3, 4, president 4.

FRANCES TERESA CECELIA BECKER Frances is usually seen with Roz, Sue, Lorraine, Jackie, Nancy, and Marsha. She will always remember the time she didn't make the cheerleading squad and, strangely enough, her saying "Sorry 'bout that!". Hockey 1, 2, 3; basketball 1, 2, 3, 4; Science Explorers 3; F.T.A. 3, 4, Treasurer 4; Clipper Hi-Lites 3, 4; Glee Club 2; Student Council 1, 2, 3, 4; prom committee 3; float committee 1, 2, 3, 4; J.V. cheerleader 3; Color Guard 3; Class President 2.

WILLIAM JOSEPH BECKER, JR. Buzz and his friends; Tom, Larry, and Jack, just want to be happy. He'll probably achieve his ambition if he ever gets away from those big-mouthed girls, his biggest peeve. Football 1, 2, 3, 4; baseball 1, 4; basketball 1, 2, 3, 4; Key Club 3, 4; float committee 1, 2, 3; prom committee 3.

RONALD TAYLOR BELL Even though no certain ambition lies ahead for Shorty, we're certain he won't be forgotten. 7th period geometry, 4th period English and cafeteria lunches are only a few of his pet peeves. But Shorty has as many memories among which are '66 Prom and junior class play. His "Say kid" isn't given much heed by Bobber, Hawk, Peepers, Tuck or Shinkle, but they like him anyway. Basketball 1, 2; baseball 2, 3, 4; Key Club 4; prom committee 3; float committee 2, 3, 4;

VERA ALICE BRITTINGHAM Everyone knows when Vera's around. Known as Vanear to her friends, she can usually be found with Pam, Nancy, Debbie, Rosalie, Cassie, and Sally. Her ambition is to make money and travel. The year of '62-'63, her trips to Woodbury, the summer of '65, and the Glee Club, all rank high in Vera's memories. Glee Club 1, 2, 3, 4; president 4, Clipperettes 2, 3, 4; Clipper Staff 4; prom committee 3; float committee 1, 2, 3, 4;

DEBORAH HARRIS BROWN Wherever the crowd is you'll always hear Deneb, and whatever anyone says Debbie usually follows it by saying, "I don't approve." Vera, Nancy, Rosalie, Cassie, Sally, and Michaelene know why she remembers the summer of '64, Halloween of '65, and the Junior-Senior Prom of '66. Her pet peeve is people who try to take over. Her ambition is to learn how to spell and to be a bookkeeper. J.V. hockey 1, 2, 3, 4; Science Explorers 1, 2, 3, 4; vice-president 3, 4; bowling club 1; Clipperettes 3, 4; float committee 1, 2, 3, 4; prom committee 3.

NANCY ELLEN BURNS Nancy won't soon be forgotten particulary because she was such an energetic and willing worker for our class. To be married to a certain Ron is her main ambition in life. Burnsie's pet peeve is not having enough heat in this school during winter. Somehow her pet peeve doesn't seem to fit in with her last name! Her fondest memories are the Deptford proms, 4-H Fair, and trips to Woodbury. Among her long list of friends are Sue, Rose, Cassie, Debbie, Vera, Joan, Sally, and Veronica. Sports Appreciation 1; Clipperettes 1, 2; Student Council 1; float committee 1, 2, 3, 4; prom committee 3; Class Secretary 3; Float Attendant 1,

JACQUELINE CHANUDET Jackie is one of our prettier senior girls, and rightly so, as her ambition is to have a modeling career. Peaches, as she is known by her friends, Nancy, Lorraine, Francis, Sue, Carol, Judy and Irish, shares their dislike for people who think they're cool. Among her fondest memories are Williamstown and a certain B. W. Science Explorers 1; Clipperettes 1, 2; Student Council 3; Clipper Staff 4; prom committee 3; float committee 1, 2, 3, 4.

LANE THOMAS CORSON Lane is better known as "Niffer" to Lou, Karl and Sheila. Lane's one big ambition in life is to attend college. For some reason or other Lane's favorite year was '65, more explicitly the track season and the summer. Football 1; track 1, 2, 3, 4; Science Explorers 1; prom committee 3; float committee 3, 4;

SUSANNAH CATHARINE COULTER Sue's ability to generate enthusiasm was well exhibited from her position on the varsity cheerleading squad. Her personality has given her a high rating among her friends and classmates. It is this spirit that will enable Sue to fulfill her ambition to further her education. Ocean City '66, Girls' State and the Prom are at the top of Sue's list of fond memories. Some of her not so fond memories are Algebra II and trig. Aunt Suzie's favorite nieces and nephews are Fran, Roz, Hawk and Tom. M.B.H. J.V. basketball 2; C.H.S. varsity 3, 4; J.V. hockey 3; M.B.H. swimming, Varsity 2; J.V. cheerleading 3, Varsity 4, co-captain 4; Clipperettes 3; C.H.S. Clipper Hi-Lites 3, 4; M.B.H. Newspaper 2; F.T.A. 4; Clipper Staff 4; M.B.H. Art club 2; float committee 3, 4; float attendant 3; Kiwanis float 4; prom committee 3; prom attendant 3; Junior Class Play 3; Girls' State 3.

JOSEPH ALBERT DALY Mr. Kool will always remember the good times he had in Mrs. Raines' sales class and his friends, John, Rick, Bill, Tom, and Walt. His big ambition is to get out of school and away from his pet peeve, detention hall. Track 1; Science Explorers 1; float committee 1, 2; prom committee 3.

LAWRENCE PETER DARBY, JR. Cool, the only redhead around, is usually seen along with Jack, Ritter, Turtle, Tuck, and Bopper. Larry's greatest pet peeve is student drinking. (I wonder why!) He says he'll always remember the prom '66, football '63-'66, and a certain party at Eastman's. After graduation, Larry hopes to become a big businessman. J.V. football 1, 2, Varsity 3, 4; basketball 1, 2, 3; baseball 1; Student Council 1, 4; Key Club 2, 3, 4; float committee 1, 2, 3, 4; prom committee 3; Class vice-president 1, 4.

VERONICA DEGUENTHER If you hear somebody saying, "Hey, Grace, how's it feel to be co-ordinated?" you can almost bet it's Ronnie. As Brenda, Rose, Cassie, Donna, Jan, and Elaine can tell you, Ronnie's pet peeve is bookkeeping. Her greatest triumph would be owning her own Corvette. Ronnie's outstanding memories are the summer of her freshman year and 7th grade English. Basketball 1, manager 2, 3, 4; hockey manager 3; Spanish Club 1; prom committee 3; float committee 1, 2, 3, 4;

LORRAINE MARY ANN DI MAMBRO "Hot Rocks" is the nickname for Lorraine at C.H.S. Her pet peeves are Steno. I and jive girls who think they are conservatives. Her ambition is to be a successful stenographer. Memories are all the fun she had with '66 seniors and one little computer who needs his wires crossed, (D. G.). Lorraine can be seen with Jackie, Helene, Roz, Marsha, Frances, Judy and Nancy. prom committee 3; float committee 1, 2, 3, 4; Homecoming Attendant 2.

CATHERINE GRACE DISTEFANO To Cassie the most important thing in life will be to be a good wife to a certain Air Force cadet. But while she's here at C.H.S., she wishes there were more heat in the school. To Nancy, Rosalie, Debbie, Vera, Sally, and Butch, Cassie is a good friend who can often be heard saying, "Oh, Monday, back to the jailhouse again." Cassie's warmest memories are the Williamstown prom, summer of '65, trips to Woodbury, and her engagement. Spanish Club 1; Sports Appreciation 1; Booster Club 2; prom committee 3; float committee 1, 2, 3, 4;

KATHLEEN DUBBS Cricket, as she is known to her friends Abby, Bird, Hope, Linda, Cheryl and many others, was a new addition to our senior class. Among her memories are the summer of '66 and the Parkway. Her goal in life is to attend I.B.M. school. G.H.S. Pep Club 3; prom committee 3; class play 3; C.H.S. float committee 4.

WILLIAM LEONARD DURHAM Bill, known by his friends as Turtle, is a popular guy around school and town. His ambition is to go to college and play basketball. His memories are the nights of '66 with certain people that everyone knew about except his girl. Seen with Bopper, Dave, Bill, Butch, Larry, Hawk, and Peepers. Football 1, 3; basketball 1, 2, 3, 4; baseball 2, 3, 4; Key Club 2, 3; Gym Club 1;

EDWARD CARROL EASTMAN Ed's biggest dream is to become a happy, content, and successful doctor after completing his education. Jim, Walt, Steve, and Ron, as well as the rest of the class, are sure Ed will find that his dreams will come true. Outstanding on his memory list are the 4-H and Key Club Conventions and the '66 Prom. Ed is the kind of person that dislikes mediocrity, and that is probably the main reason he wants to be so successful. J.V. football 1, 3, varsity 4, J.V. basketball 1, 2, varsity 4; Student Council 1, 2, 3, 4, president 4; Key Club 2, 3, 4, Lt. Governor 4; Honor Society 3, 4, treasurer 4; Math Club 3, 4; Science Explorers 1, 2, 3, 4; Clipper Hi-Lites 1, 2, 3, 4; prom committee 3; float committee 1, 2, 3, 4; Class president 1; Class vice-pres. 2, 3; Summer Science Training Program at Jackson State University.

CAROL ANN ENGSTROM Carol, affectionately called Goat by her friends, Jackie, Steve, Fran, Lorraine, and Mel, will never forget her metal shop class with Crazy and Steve. To be a successful fashion artist is her greatest ambition. Nothing bothers Carol much except Spanish and English. F.N.A. 1; Art Club 1, Gym Club 2.

SUSAN DENISE ERAZMUS Sue's interest in drama and music will help her attain her goal, to become a director and an accomplished musician after college. She is a good class worker, and her school chums will never forget the great hostessing of many class parties. Conceited people and those who show off are a constant irritation to Sue and her friends Linda, Mary, Joyce and Cheryl. Summer '65 will always rate high on Sue's list of memories. Clipper Hi-Lites 1, 4; Clipper staff 4; Science Club 1; float committee 1, 2, 3, 4; Junior Class Play 3; library assistant 1, 2, 3, 4.

JOHN GRAYSON John has been well known at C.H.S. for quite a long time. His ambitions are many, but unknown even to his friends Joe Daly, Rich, Jim, and Rick. Everyone at Twin Kiss will tell you John is nice to be around everyone that is, except an unsociable girl, his pet peeve. float committee 1, 2, 3, 4; prom committee 3.

MARY CATHERINE GRAYSON Mary, whose artistic ability was indispensable during many of our class projects, desires to find happiness in the future. Her great dislike of needles is well understood by her best friends, Judy, Marsha, Violet, and Roz. Mar's fondest memory is the Halloween Parade of '64. Clipperettes 1, 2; Science Explorers 1; prom committee 3; float committee 1, 2, 3, 4, Chairman 4; Class Float attendant 2, 3. Kiwanis float 4

THOMAS GUARRO The sense of humor that "Peepers" has will be remembered by many friends including Hawk, Bopper, Ritter, Turtle and Gary. Doing something without having any fun is Tommy's pet peeve and might cause him to say "I'll catch ya later." When he's not working on his ambition to be a commercial artist, you can bet he's with the guys reliving his memories. Clipper Hi-Lites 1, 2; Art Club 1; float committee 1, 2, 3, 4; prom committee 3.

ROSALIE HARVEY Rosie to her friends has a pet peeve that goes like this, "Never any heat in rooms and the buzzy light in room 45." Her ambition is to be a teacher. Her fondest memories are History I, hockey, and all class trips. She can be found with Cassie, Debbie, Vera, Sue, Sally, and Nancy. J.V. & V. Hockey 1, 2, 3, 4; Glee Club 1; football club 1; prom committee 3; Float Committee 4.

BARRY HOWARD HAWKEY Shorty, who plans to work after graduation, is usually seen with his two close friends, Joe D., and John H. He has proved himself to be no small part of the Class of '67. When Shorty thinks back to his high school years, he'll always remember his typing and history classes, while trying to forget his pet peeve, study halls. Basketball 1, 2; Art Club; Stage Craft.

SALLY ANN HENRY Sal's outstanding memory is coming to Clayton. She doesn't like nosy people. She can be seen with Nancy B. Cassie D. Vera B Mike., Nancy Y., Joan H., and Jo Lynn. This happy-go-lucky girl hasn't decided on her future yet, but we're sure she'll bring smiles to the people she'll work with. Glee Club 3.

SALLY JO HEWITT Sally was one of the newest members of our class, and she added a bit of charm to it. Her friends, Pam and Tracy, know why her fondest memory is August 9, 1966. Her pet peeve is conceited people. Art Club 1, 2, 3; prom committee 3; Junior Play Committee 3.

ELWOOD JOHN HOFFMAN Elwood, who is sometimes mistaken for his brother Albert, is the quiet one of the class. His favorite saying though, "It'll never happen," can be heard by his best friends Bo, Gilbert, Jess, Jim and Diane. Elwood's greatest memory is the summer of '65, and his biggest ambition is to make money. Booster Club 1, 2, 3.

JANICE MARIE HOFFMAN Janice can be found leading cheers for the home team, working diligently for her class or laughing and talking (as usual) with some of her friends, Joan S., Cheryl J., Peggy and Bonnie. Her determination to get A's in geometry (her pet peeve) was a sign that her ambition to graduate from nursing school will some day come true. Crisco remembers especially January 3, 1965. J.V. hockey 2, 3, varsity 4; J.V. cheerleading 3, co-capt. varsity 2, 4; Clipperettes 3; Mu Alpha Theta 3, 4; Science Explores 4; Student Council 3, 4; float committee 1, 2, 3, 4; prom committee 3.

JOAN BERNICE KATHLEEN HUGHES Joan is the girl who has a friendly smile for everyone. Upon graduation, she hopes to go to nursing school, become a good nurse, and be happy. Joan's fondest memories include the Hawaiian Cottage and New Year's Eve. She confides in Jo Lynn K., Nancy B., Pat C., Cassie D., and Vera B. This year's seventh grade officers were; President, Robert Stowman; Vice President, Kathy Sandeleir; Secretary, Lillian Stowman; Treasurer, Wayne Kelchner. The class advisor was Mrs. Wilkinson.

While the upper classmen were finishing their floats, the seventh grade was just starting. Only a few students came to the meetings which was probably an important reason why they lost in the Halloween Parade. Their float was named "Around the World" and all of the seventh grade feel it was as good as could be expected.

The seventh grade students are very proud to say that they contributed 100% to the Senior play in their silver coin donations.

Basketball

Our girls have had great success once again this year on the basketball court. They began the season with a built-in (enthusiasm) stemming from last year's Tri-County Championship. Linda Maden continued to lead the Varsity team in scoring with strong support from everyone. Miss Anderson is also looking forward to the future depending on the potential ability of the J.V. Although the girls were eager for another championship, Clayton High can be proud of their winning record.

This year's leading varsity scorer was Linda McColgan. At the close of the season, the team had a record of 1-7-0. Even though this wasn't a very impressive final record, Miss Anderson, the team's coach, felt they were a very good team. She said they had an excellent attitude and spirit even though they lost so many games.

THE EXECUTIVE BOARD

L. to R. R. Stowman T. Tucker R. Levy, E. Eastman, P. Peters, R. Bauman.

During 1966-1967 the Student Council initiated many plans. Through the efforts of President Ed Eastman, the executive board and interested students, new projects were introduced that benefited both the school and the community.

Student Council sponsored the annual Homecoming Celebration on Thanksgiving Day. Rosalind Weintraub reigns as queen with Linda Mc Colgan and Terry Jo Tucker as attendants. Under the supervision of the council, many drives and campaigns were conducted. "The Spirit of Christmas", a two week drive to collect toys and money to buy turkeys for the needy of the community, was initiated at C. H. S. along with the customary Food Drive, Clothing Drive, and Cafeteria Drive. The student store and films shown in the grammar school were also directed by the council. The senior tradition of a Hall Patrol grew from this year's work.

As this successful year drew to a close, the student body had to elect new officers. Those officers must strive to fulfill the purposes and objectives of good citizenship, honor, cooperation, self-government and responsibility by using the experience and knowledge of this year as their guidelines.

Many people worked hard for the success of this year's Clipper Hi-Lites. More issues than ever before were published this year. Photographically illustrated editorials were one of the many new features added to the paper. Changes and improvements made by editor Peggy Peters and the staff increased the circulation of the newspaper.

CLAYTON HIGH SCHOOL BAND

Clayton High's versatile band, under the direction of Mr. John Tumminia, presented the fans at the football games with some very interesting half time routines, as one of their activities during the school year. The Color Guards, Majorettes and Clipperettes enhanced the band with impressive drills. The marching band was led by Cindy Christopher as Drum Majorette.

The band led by Michaelene Tantonio and Diane Owens, co-captains of the Color Guards, could be seen at the Halloween Parade and annual Memorial Day Parades.

Much credit is given to Rose Moran, head majorette and Nancy Sticht as captain of the Clipperettes for their fine performance during half time shows.

The band also entertained at assemblies. The practice and hard work spent after school provided enjoyable entertainment at the Christmas Concert and Spring Music Festival.

Much appreciation is due to this brilliant and hard working band.

GLEE CLUB

The Glee Club, under the direction of Mr. Tumminia, consists of many singing members, willing to rehearse every morning before school in preparing the songs used for their bi-annual concerts, one in winter and one in summer. This group deserves a word of thanks and appreciation for its fine performance at C.H.S.

STAGE BAND

The aims of the High School Stage Band is to provide a chance for students with more than average ability to play modern music and contemporary manuscripts.

Under the direction of Mr. John Tumminia, the band has produced very fine musical programs.

PERCUSSION ENSEMBLE

The percussion ensemble was a new addition to our music area this year. This organization is composed of all percussion instruments and is under direction of Mr. Tumminia. The percussion ensemble gives the students the opportunity to read advanced material which isn't ordinarily written for normal concert bands.

Come on now, let's get busy!

Another accomplishment, Carol!

We Salute You!

Congratulations and the best of luck! We at Thomas are proud of the part we have had in helping to make your classbook a permanent reminder of your school years, recording with photographs one of the happiest and most exciting times of your life! We hope that, just as you have chosen us as your class photographer, you will continue to think of Thomas Studios when you want photographs to help you remember other momentous days to come! When you choose Thomas portraits, you are sure of the finest craftsmanship at the most moderate prices!

THOMAS STUDIOS

Foremost School Photographers in the East

Thus as the game comes to an end, we hope we have captured the high lights of our year, 1967. It has been a year of protesting traditions and pioneering new ones. Such a year couldn't have been reproduced without the cooperation of the Administration, Faculty and Student Body. Most of all we express our thanks for the dedication and loyalty of our Clipper Staff and our advisor Mrs. Ruth Kimball.

We wanted our yearbook to be a composite of all four years of high school—because this is the game as we know it. Our idea was that every class represented one "stage of our game." We, too, began as "pawns" and played the game through our "chessboard" of activities. We hope to preserve the memory of being high school "kings and queens" when we look back as once again "pawns" of the world. However, our success can only be in keeping the memories for everyone. Now the game for us is over and we'll leave C.H.S. appropriately in "checkmate".
